

# VERSA-LOK STEP UNIT

## STAIR TREAD SYSTEM

**VERSA-LOK**  
MIDWEST

*6" tall x 18" deep x 48" wide*

CANYON GRAY

WALNUT BROWN

An economical alternative to natural stone, VERSA-LOK step units make it easy to create consistently level, flat stair treads. These solid concrete units are designed to stay put. VERSA-LOK step units have a natural stone appearance. Colors are integral throughout, so these units will stay looking great for years to come.
