

NEW! VERSA-LOK OUTDOOR COUCH

Add an element of comfort to your outdoor living spaces with a luxurious VERSA-LOK Couch. This new kit includes all you need to build a handsome curved couch using VERSA-LOK Standard wall units and caps. The couch provides seating for up to four adults, and the stepped ends make an attractive accent. Build it as part of a paver patio or as stand-alone seating in your garden.

The VERSA-LOK couch is easily constructed on an 8-foot radius and measures 11 feet corner to corner, 54 inches deep and 40 inches tall, with a seat height of 18-20 inches. It sits on a 6-inch base of crushed limestone (Class 5) topped with a 1-inch layer of sand (optional); no footings are required. Units are glued together with VERSA-LOK Concrete Adhesive. Easy-to-follow illustrated instructions are included. Color and texture options available.

Be the envy of your neighborhood with the impressive new VERSA-LOK Couch!

- **Seats Four Comfortably**
- **Glues Together-
No Pins Needed**
